Issue 1 Volume 1

Presidents Message

Welcome to South East Writers Inc's first edition of our eNewsletter "On the same page". As we move into our eight month since opening to the public, SEW has seen steady growth in membership. The launch of our website "South East Writers Inc" was another great achievement for the group. SEW has been unshakable in our commitment to share knowledge and support our members, by inviting first class speakers who have generously shared their expertise to help develop the writer within. The second half of 2018, brings exciting tidings for our members and the general public as we launch our very first 'South East Writers Inc Literary Award'. Writers and inspiring writers are invited to put pen to paper and showcase their work. Please visit our website for full details. Last but not least, I would like to extend a special thanks to our amazing committee Leah Bunn, Damien Booth and Mark Wren who have worked tirelessly to bring South East Writers Inc to fruition. "To be a great writer is to believe you can".

Warmly

Catherine Toth-Lacey

South East Writers Inc Literary Award

South East Writers Inc will be holding our first ever Short Fiction Literary Award.

This is a very exciting time for us as we launch the South East Writers Inc Literary Award. The South East Writers Inc Literary Award will be held twice per year with the aim to give our members and other writers the opportunity to hone their skills and have their work recognised.

Each year we will publish in the form of an anthology the work of our winners and twenty (20) of the best stories from each competition.

As this is our very first award and we are already into the second half of 2018, the anthology will include the winners of 2018 and the two (2) competitions from 2019. The anthology will be available in April 2020.

Fees:

Early bird entry received before 5pm 31/10/18 (both entry and fee) - \$10 per story. Entries fees after this date are \$15 per story. Closing date 5pm 30/11/18. Email for PDF file with details.

Libraries of the world.

TRINITY COLLEGE LIBRARY // IRELAND

Aside from being absolutely gorgeous, with two story dark wooden arches, this is also the largest library in all of Ireland. It serves as the country's copyright library, where a copy of all new books and periodicals must be sent when they apply for copyright protection. The library is also home to the famous Book of Kells, an illuminated manuscript created by Celtic monks around the year 800.
